Siding

**Snowman**  
 Body same as bear. 22  
 Glue hat on head.

Bead Placement 2 & 2

1st bead on needle  
 2nd bead on ball thread.

*head*

**SNOWMAN**  
 All are 3 rounds. Same as the snail pattern. The diagrams will show the bead placement, head and hat.  
 Two beads are added to the body for buttons on snowman's, belly.

**Bunny**

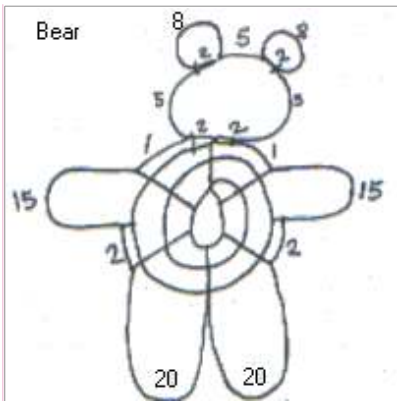

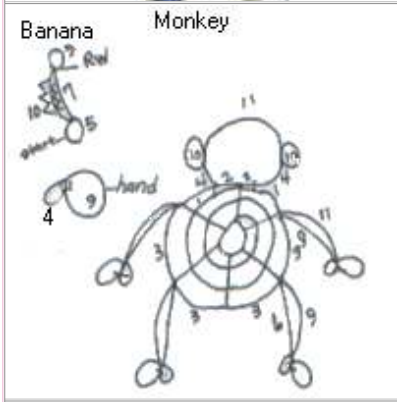

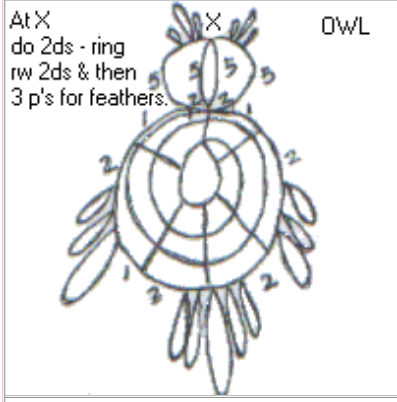

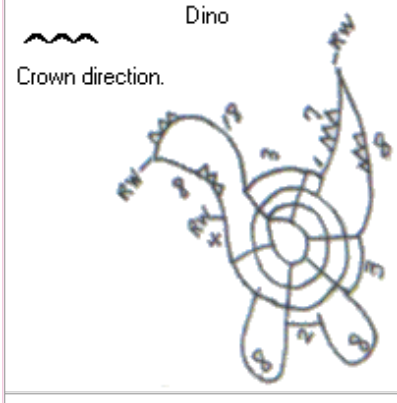

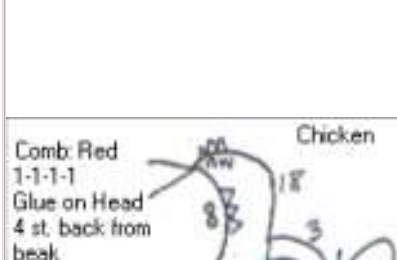

*head* *ear/2*

Body Same as Bears.

**BUNNY**  
 Body of the Bunny is the same as the Bear. Make two ears for bunny. Head should be 2 - 6 - 2- 5 - 2 - 6 - 2 Attach ears to the top picots.  
 Abby has one ear bent down with a little bird glue to it, which is optional. You can add a butterfly to the ear also, or use some orange thread and do a JK to make a carrot, and some green thread for the top and then glue that to his bunny hands.

Tools

<p>Bear</p> 	<p><b>BEAR</b> Do the 3 rounds, then start with head. Add a little piece of thread as a bow, or add a little ribbon bow tie to neck.</p>
<p>Banana Monkey</p> 	<p><b>MONKEY</b> Be careful pulling arms/legs so they do not scrunch up to much. Glue Banana to hand of monkey.</p>
<p>At X do 2ds - ring rw 2ds &amp; then 3 p's for feathers.</p> <p>Owl</p> 	<p><b>OWL</b> Do 3 rounds and then start with head and work around for the 4th round of wings and tail.</p>
<p>Dino</p>  <p>Crown direction.</p>	<p><b>DINO</b> Continue around on 3rd round. Will need shaping.</p>
<p>Comb: Red 1-1-1-1 Glue on Head 4 st. back from beak.</p> <p>Chicken</p> 	<p><b>CHICKEN</b> You will need to attach orange or yellow legs and beak. Tie knots to give the chicken knees, lol. I think they are called knees. I do know they sell them in the grocery store, where I shop.</p>

Work two orange.  
Clip to length.  
String for legs,  
make knee knots.

Do 3rd rd. no p's.  
Then start with head.

**GHOST**  
BOOOOO - Correction for Eyes of the ghost. Eyes are 3ds p 3ds each.

Tiny Pumpkin

Work same as the Ladybug.

Stem:  
Ch 5ds attach to P on pumpkin.  
R 3ds p 2ds Large P 1ds p 3ds  
Cut & tie off.

**TEENY TINY PUMPKIN**

When I first saw this in my gift from Abby, I thought it was a sea-shell, that went with the Fish. So if you make it in a off white or something shiny it would be a cute sea-shell also.

Fish

3 rounds. Then start with top fins.  
Shape fins, tail, mouth and stiffen.

**FISHY**

OK, I think Abby has a good sense of humor, and since I wasn't sure about the chicken legs having knees or not and laughed at myself. On the notes Abby states to shape the fins, tail and lips, with Stiffen Stuff. Now I'm not sure that fish have lips, so you can laugh at me also. 😊 But I do know they also sell whole fish in the grocery store, with the heads and lips and eyes on them.

Mouse <Bead, pink or black.

Body same as Lady bug.  
Tail string with a knot,  
curl tail

**MOUSE**

This cute little Tat-Mouse can be done in other colors and would look just as adorable. The one Abby sent me has a cute little pink nose.
