The "Onion" Ring

Practice pattern taken from "Die Schiffchenarbeit".

See [book review](#) page 1 of the reprint pattern #6.

Color models by [Hope Green](#).

This is a triple onion ring and chain repeat. Or, you can also accomplish the pattern by doing a double onion ring and tatting a true chain around it. At least four colors could be introduced into this pattern. The extra threads would be encapsulated in the chains.

Any questions? You are welcome to email me.
