Welcome to the Tatters' Round Robin for Beginners!

The center motif pattern for this round robin may be tatted in two steps cutting and tying each round or climbing with a split ring from the inner six rings to the second round without cutting.

Option A: Tat all six rings then cut, tie and hide ends.

R 6 - 2 - 2 - 6 close ring.

Round 2 Attach the ball thread to the middle picot on any inner ring and begin to chain.

CH 3 - (very small picot) 4 Do not reverse work.

R 3 - 2 - 2 - 2 - 3 close ring. Do not reverse work.

CH 4 - (very small picot) 3

Shuttle join to the middle picot of the next inner ring.

Suggestions:

Use a picot gauge to make the picots all the same size.
Insert a helping loop to pull the last ends up into the ring/chain to hide.
